SUMMARY

I'm Karthik Kathari, a passionate Front-End Developer with hands-on experience in building responsive websites using HTML, CSS, JavaScript, Bootstrap, and jQuery. Currently, I am working as a Junior Front-End Developer Intern, where I collaborate with teams to develop features, troubleshoot, and optimize seamless user experiences. I have refined my skills in front-end development and problem-solving through various internships. I am passionate about technology and actively volunteer with TheirWorld to support impactful social initiatives.
